

Mahatma Gandhi Mission's

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of Student's | Title | Name of Guide | Year |
|---------|--|-------|-------------------|-------|---------------|------|
|---------|--|-------|-------------------|-------|---------------|------|

| | | | | | | |
|---|--|-------|------------------------|---------------------------------------------------------------------------------------------|--------------------|---------|
| 1 | | Final | Dobhal Santosh | Effect of Proprioceptive Traintion of Anterior Cruciate ligament in jury in Female Athletes | Dr.Sarath Babu | 2009-10 |
| 2 | | Final | Gaikwad Pallavi M | Role of Yogain the Management of Yoga Back Pain in Pregacy | Dr. Wani Surendra | 2009-10 |
| 3 | | Final | Khan Rakhshanda Tazeen | Community Based Rehabilitation for Post Menopausal Osteoporosis | Dr. Hotwani Rinkle | 2009-10 |

| | | | | | | |
|---|--|-------|--------------------|---------------------------------------------------------------------------|--------------------|---------|
| 4 | | Final | Bhanushali Poonam | Effectiveness of Pulmonary rehabilitation in patients With COPD | Dr. Sibi Joseph | 2009-10 |
| 5 | | Final | Chitapure Tajuddin | Strategies to Improve Posture & Balance in Hemiplegic Patients | Dr. Upendra K. | 2009-10 |
| 6 | | Final | Jaiswal Ashwini R | Exercises to Improve Enothelial fancement in Patient with Hypertension | Dr. Sibi Joseph | 2010-11 |
| 7 | | Final | Mishra Varsha | Conservative Approach in Recti | Dr. Hotwani Rinkle | 2010-11 |
| 8 | | Final | Deshpande Rutuja | Neurodevelopment Techniques for Reduction of Spasticity in cerebral Palsy | Dr.Sarath Babu | 2010-11 |

| | | | | | | |
|---|--|-------|--------------------|--------------------------------------------|--------------------|---------|
| 9 | | Final | Kutaskar Manali S. | Prevalence of Neck Pain in Physiotherapist | Dr. Hotwani Rinkle | 2010-11 |
|---|--|-------|--------------------|--------------------------------------------|--------------------|---------|

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of Student's | Title | Name of Guide | Year |
|---------|--|-------|---------------------|-----------------------------------------------------------------------------------------|--------------------|---------|
| 10 | | Final | Vaidya Snehashri | Prevalence of low Back Pain Among School Teachers | Dr. Sibi Joseph | 2010-11 |
| 11 | | Final | Jaiswal Komal | Variation of popliteal angle Abdhetor angle and Dorsiflexion angle in cerebval palsy | Dr.Sarath Babu | 2010-11 |
| 12 | | Final | Bagga Tanpreet Kaur | Effect of lower Segment Caesavean section on abdominal Muscle Strength | Dr. Hotwani Rinkle | 2010-11 |

| | | | | | | |
|----|--|-------|------------------------|-----------------------------------------------------------------------------------------------|-------------------|---------|
| 13 | | Final | Gulve Sarita J | Prevention and Physiotherapy mangement of Reflex Sympathetic Dystrophy in Hemiplegic Patients | Dr.Sarath Babu | 2010-11 |
| 14 | | Final | Shaikh Mohammed Faisal | Hamstring Strain in FootBall Players Predisposing Factors and Prevention | Dr. Wani Surendra | 2010-11 |
| 15 | | Final | Momin Heba F. | Physiotherapy Management of Cervical Spine in RheumatoidArthritis | Dr. Wani Surendra | 2010-11 |
| 16 | | Final | Bhopali Zuba | Use of Pedameter & Accelerometer to Improve physical Acivit | Dr. Sibi Joseph | 2010-11 |

| | | | | | | |
|----|--|-------|---------------------|--------------------------------------------------------------------------------------------|-------------------|---------|
| 17 | | Final | Thakkar Chaitali R. | Quality of life in Individuals with knee Osteoarthritis using SF36-V2 health Questionnaire | Dr. Wani Surendra | 2010-11 |
|----|--|-------|---------------------|--------------------------------------------------------------------------------------------|-------------------|---------|

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of Student's | Title | Name of Guide | Year |
|---------|--|-------|-------------------|-----------------------------------------------------------------------|-------------------|---------|
| 18 | | Final | Khan Avez | Age & Gender Wise Trends of Blood Pressure in Rural Indian Population | Dr. Wani Surendra | 2010-11 |
| 19 | | Final | Chavan Sunita D. | Measurement of Body Fat Percentage in Post Menopausal Women | Dr. Wani Surendra | 2010-11 |
| 20 | | Final | Vaidya Aditya | The Prevalence of low Back Pain in Dentists | Dr.Sarath Babu | 2010-10 |

| | | | | | | |
|----|--|-------|----------------|-------------------------------------------------------------------------------------|--------------------|---------|
| 21 | | Final | Bellay Varun Y | A Manual Therapy Approach for Treatment of Cervicogenic Headach | Dr. Hotwani Rinkle | 2010-11 |
| 22 | | Final | Gatlani Ankita | Prevalence of Shoulder and Upper limb Disorde Among Patients with Diabetes Mellitus | Dr. Sibi Joseph | 2010-11 |
| 23 | | Final | Quazi Rubiya | Prevalence of forward head poosture in patients with neck Pain | Dr. Wani Surendra | 2010-11 |
| 24 | | Final | Joshi Shruti | Prevalence of orthostatic hypotension in typez diabetic Patients | Dr. shukla Manish | 2010-11 |

| | | | | | | |
|----|--|------------|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|--------------------|---------|
| 25 | | Internship | Bhanushali Poonam | Efficacy of Manual therapy techniques for improving pain in patients with cervical Spondylotic radiculopathy: a Randomized Clinical trial | Dr. Sarath Babu | 2010-11 |
| 26 | | Internship | Khan Rakhshanda Tazeen | Effectiveness of Neural Stretching on Pain & Disability domain in chronic lumbar radiculopathy: A Randomized controlled trial | Dr. Hotwani Rinkle | 2010-11 |

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of Student's | Title | Name of Guide | Year |
|---------|--|-------|-------------------|-------|---------------|------|
|---------|--|-------|-------------------|-------|---------------|------|

| | | | | | | |
|----|--|------------|--------------------|--------------------------------------------------------------------------------------------------------------------|---------------------|---------|
| 27 | | Internship | Gulve Sarita J | Normal Values of functional and Lateral Reach in School Going Children with Eyes Open & Eyes Closed | Dr. Golhar Sucheeta | 2010-11 |
| 28 | | Internship | Tajuddin Chitapure | Upperlimb Neural Tension Test & Seated Slump Test : The False Positive Rate Among Healthy Asymptomatic Individuals | Dr. Sibi Joseph | 2010-11 |
| 29 | | Internship | Tajuddin Chitapure | Upperlimb Neural Tension Test & Seated Slump Test : The False Positive Rate Among Healthy Asymptomatic Individuals | Dr. Sibi Joseph | 2010-11 |

| | | | | | | |
|----|--|------------|-------------------|---------------------------------------------------------------------------------------------------------------------------------|-------------------|---------|
| 30 | | Internship | Bhopali Zuba | Ultrasound VS Deep Transverse friction mssage in the management of pain disability associated with patellofemoral pain Syndrome | Dr. Wani Surendra | 2010-11 |
| 31 | | Internship | Gaikwad Pallavi M | Effectiveness of Methylsalicylate iontophoresis in the management of osteoaritis Knee | Dr. Wani Surendra | 2010-11 |
| 32 | | Internship | Jaiswal Ashwini R | Effect to three weeks plyometrcs & Speed Training on Agility in Badminton payer | Dr. Malani Rinkle | 2010-11 |

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of Student's | Title | Name of Guide | Year |
|---------|--|-------|-------------------|-------|---------------|------|
|---------|--|-------|-------------------|-------|---------------|------|

| | | | | | | |
|----|--|------------|------------------------|---------------------------------------------------------------------------------------------------------------------------------|--------------------|---------|
| 33 | | Internship | Shaikh Mohammed Faisal | Effect of Mc Kenzie & Dynamic Stabilization Exercise with lumbar Traction in Chroni low Back Pain A Randomized Controlled Trial | Dr.Sarath Babu | 2010-11 |
| 34 | | Internship | Dobhal Santosh | A Comparison of the effect of lewits and Jandas Methods of Post isometric relaxation on the Hamstring Extensibiity | Dr.Golhar Sucheeta | 2010-11 |
| 35 | | Internship | Mishra Varsha | Comparison of Quadricepe Angle of the Dominant & NonDominant Sides in Healthy Asymptomatic Individuals | Dr. Sibi Joseph | 2010-11 |

| | | | | | | |
|----|--|------------|---------------|--------------------------------------------------------------------------------------------------------|--------------------|---------|
| 36 | | Internship | Mishra Varsha | Comparison of Quadriceps Angle of the Dominant & NonDominant Sides in Healthy Asymptomatic Individuals | Dr. Sibi Joseph | 2010-11 |
| 37 | | Internship | Momin Heba F. | Effect of forward walking & Backward Walking on Aerobic Capacity & Endurance | Dr.Golhar Sucheeta | 2010-11 |
| 38 | | Internship | Momin Heba F. | Effect of forward walking & Backward Walking on Aerobic Capacity & Endurance | Dr.Golhar Sucheeta | 2010-11 |

| | | | | | | |
|----|--|-------|-------------------|------------------------------------------------------------------|-----------------|---------|
| 39 | | Final | D'souza Philomena | Prevalence of work related Musculoskeletal Problem among Tailors | Dr. Sibi Joseph | 2011-12 |
|----|--|-------|-------------------|------------------------------------------------------------------|-----------------|---------|

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of Student's | Title | Name of Guide | Year |
|---------|--|------------|-------------------|---------------------------------------------------------------------------------------------------------------------------|--------------------|---------|
| 40 | | Internship | Deshpande Rutuja | A Comparison of the effect of Straight leg Raise & Bent Leg Raise Technique of stretch in on the Harmstring extensibility | Dr.Sarath Babu | 2010-11 |
| 41 | | Final | Kulkarni Chaitali | Prevalence of flat foot in adults | Dr.Sarath Babu | 2011-12 |
| 42 | | Final | Umale Neha | Prevalence of sensory Intgration Dysfunction in Normal School Children | Dr. Palekar Pramod | 2011-12 |

| | | | | | | |
|----|--|------------|------------------------|--------------------------------------------------------------------------------------|--------------------|---------|
| 43 | | Final | Pathan Nawaj Mehtab | A Survey on Satisfaction rate of low back pain patients with physiotherapy treatment | Dr. Malani Rinkle | 2011-12 |
| 44 | | Final | Mungikar Sankent Sunol | Joint Position Error in a hypermobile knee in normal School Age Children | Dr. Palekar Pramod | 2011-12 |
| 45 | | Final | More Mrunal | Obesity on School-Aged Childern Prevalence and Causes | Dr. shukla Manish | 2011-12 |
| 46 | | Final | Bhale Yogeeta | Prevalence of Low Back Pain Among Nurses | Dr. Sibi Joseph | 2011-12 |
| 47 | | Internship | Thakkar Chaitali R. | Attention & Memory Problems In Hemiplegics | Dr. Palekar Pramod | 2011-12 |

| | | | | | | |
|----|--|------------|-------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|---------|
| 48 | | Internship | Komal Jaiswal ,Bagga Tanpreet Kaur Kutaskar Manali | Effectiveness of supervised & Unsupervised eercise Programme on Pain Intensity & Functional Disability in Patients with Chronic Nack Pain : A Comparative Study | Dr. Sibi Joseph | 2011-12 |
|----|--|------------|-------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|---------|

List of Thesis

| Sr. No. | Class | Name of Student's | Title | Name of Guide | Year |
|---------|-------|-------------------|-------|---------------|------|
|---------|-------|-------------------|-------|---------------|------|

| | | | | | | |
|----|--|------------|---------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|---------|
| 49 | | Internship | Gattani Ankita S. | Combined Effect of balance & Resistance Training on Dynamic Balance In Elderly Individuals to Reduce the Risk of fall Randomized Controlled Trial | Dr. Palekar Pramod | 2011-12 |
| 50 | | Final | Aisha Khan Mohd Shakir Ali Khan | Prevalence of Shoulder Pain in School Teachers | Dr. Patil Shubhangi | 2011-12 |
| 51 | | Final | Deshpande Neha D. | Correlation of Pain & Disability with mri Findings in Patients with lumbar Discogenic back Pain | Dr. Wani Surendra | 2011-12 |

| | | | | | | |
|----|--|-------|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------|------------------------|---------|
| 52 | | Final | Farooqui Saba Zubair | Measurement of Q Angle with & Without Isometric Quadriceps Activation in Normal Female Population | Dr. Patil Shubhangi | 2011-12 |
| 53 | | Final | Jethwa Juhi M. | Prevalence of Stress in Undergraduate Physiotherapy Students | Dr.Shukla Manish | 2011-12 |
| 54 | | Final | Mulajker Renuka N | The Functional independence measure in Patients with ischaemic & Haemorrhagic strokes An Observational Study | Dr. Palekar Pramod | 2011-12 |

| | | | | | | |
|----|--|-------|--------------------------------|---------------------------------------------------------------------------------|----------------------|---------|
| 55 | | Final | Qayyum Rafiya Parveen Abdul | Measurements of Iumbar Iordosis in Patients with lumbar Spondylosis | Dr. Wani Surendra | 2011-12 |
|----|--|-------|--------------------------------|---------------------------------------------------------------------------------|----------------------|---------|

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of Student's | Title | Name of Guide | Year |
|---------|--|------------|-------------------|--------------------------------------------------------------------------------------------------------------------------------------|------------------------|---------|
| 56 | | Final | Pande Devki Vijay | Asurvey on Prevalence of age related changes in Postural stability in elderly male & Female | Dr. Palekar Pramod | 2011-12 |
| 57 | | Internship | Vaidya Snehashri | Comparalive study of efficacy of myofascial Release & Taping Technique in Palient with Chronic Plantar Fascitis | Dr. Patil Shubhangi | 2011-12 |

| | | | | | | |
|----|--|------------|-------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|---------|
| 58 | | Final | Raka Naha | Prevalence of complications after upper abdominal surgery | Dr. shukla Manish | 2011-12 |
| 59 | | Internship | Joshi Shruti, kharsade Bhalchandra, Pahan Nawaj | The effectiveness of moistpacks with satic stretchin versus cold packs with static stretching on hamstring flexibility in normal individuals a comparative study | Dr. Wani Surendra | 2011-12 |
| 60 | | Internship | More Mrunal & Bhale Yogeeta | Respratory Physioherapy & Incidence of pulmonary complications in off Pump coronary artery by pass graft | Dr. shukla Manish | 2011-12 |

| | | | | | | |
|----|--|------------|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|---------|
| 61 | | Internship | Kulkarni Chaitali & Umale Neha | Effectiveness of supervised conventional therapy with constrained induced movement therapy to improve upper extremity function in cerebral palsy children with hemiplegia | Dr. Palekar Pramod | 2011-12 |
|----|--|------------|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|---------|

Institute of Physiotherapy

| Sr. No. | | Class | Name of Student's | Title | Name of Guide | Year |
|---------|--|-------|-------------------|-------|---------------|------|
|---------|--|-------|-------------------|-------|---------------|------|

| | | | | | | |
|----|--|------------|-------------------|----------------------------------------------------------------------------------------------------------------------------------|-----------------|---------|
| 62 | | Internship | D'souza Philomena | Assessment of transverse abdominis muscle strength in Normal Healthy Individuals Using sphygmomanometer: A Cross sectional study | Dr. Sibi Joseph | 2011-12 |
| 63 | | Internship | Mugikar Sanket S. | Assessment of transverse abdominis muscle strength in Normal Healthy Individuals Using sphygmomanometer: A Cross sectional study | Dr. Sibi Joseph | 2011-12 |

| | | | | | | |
|----|--|------------|---------------------------|----------------------------------------------------------------------------------------------------------------------------------|--------------------|---------|
| 64 | | Internship | Chavan Sunita D. | Assessment of transverse abdominis muscle strength in Normal Healthy Individuals Using sphygmomanometer: A Cross sectional study | Dr. Sibi Joseph | 2011-12 |
| 65 | | Final | Mhaske Gaurav Chandrakant | Prevalence of Shoulder Pain in Hemiplegic Patients following Stroke | Dr. Palekar Pramod | 2011-12 |
| 66 | | Final | Shukla Apurva P. | Prevalence of Musculoskeletal Disorders in Postmenopausal Women | Dr. sibi Joseph | 2011-12 |
| 67 | | Final | Rathod Shilpa K. | Prevalence of Common Musculoskeletal Problems in Housewives | DR. Wani surendra | 2011-12 |

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of Student's | Title | Name of Guide | Year |
|---------|--|-------|--------------------|-------------------------------------------------------------------------|---------------------|---------|
| 68 | | Final | Purohit Bindiya M. | Prevalence of Thoracic Kyphosis in Undergraduate Physiotherapy Students | Dr. shukla Manish | 2011-12 |
| 69 | | Final | Patole Neha A. | Prevalence of Headache in Patients With Neck Pain | Dr. Malani Rinkle | 2011-12 |
| 70 | | Final | Machave Ashish | Prevalence of Knee Osteoarthritis among Perimenopausal Women | Dr. Patil Shubhangi | 2011-12 |
| 71 | | Final | Palaskar Shalmali | Physiotheapy a wareness among Medical Professionals | Dr. Sibi Joseph | 2011-12 |

| | | | | | | |
|----|--|------------|--------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------|--------------------|---------|
| 72 | | Internship | Ms. Raka Neha & Jethwa Juhi | Comparative efficacy of cervical Retraction Exercises (Mckenlie) with & Without using Pressure Biofeed Back in Cervical Spondylosis | DR. Wani surendra | 2012-13 |
| 73 | | Internship | Ms. Qayyum Rafiya Parveen Abdul & Deshpande Neha | A Comparative Study to find out the effectiveness of Autogenic Drainage over Postural Drainage in COPD Patients | Dr. Shukla Manish | 2012-13 |
| 74 | | Internship | Ms. Mulajkar Renuka | To Study & Compare the effectiveness of Taping Over Conventional treatment in the Management of Bells Palsy | Dr. Palekar Pramod | 2012-13 |

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of Student's | Title | Name of Guide | Year |
|----------------|--|--------------|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------|----------------------|-------------|
| 75 | | Internship | Ms. Khan Aisha | Functional Capacity in exercising & Non Exercising Postmenopausal Women | Dr. Mohd. Rafi | 2012-13 |
| 76 | | Internship | Pande Devki Vijay | To Study & Compare the effectiveness aerobic exercise on functional capacity of exercising and non exercising post menopausal women | Dr. Mohd. Rafi | 2012-13 |
| 77 | | Final | Ramsha Meer | Decreased Quality of life in Elderly People | Dr. Mohd. Rafi | 2012-13 |
| 78 | | Final | Khiste Soniya | Prevalence of Low Back Pain in Obesity | Dr. Mohd. Rafi | 2012-13 |

| | | | | | | |
|----|--|-------|-----------------------|----------------------------------------------------------------|---------------------|---------|
| 79 | | Final | Chandratre Ashwini | Prevalence of Asthma in School Children | Dr. Shukla Manish | 2012-13 |
| 80 | | Final | Palaskar Shalmali | Physiotherapy awareness among Medical Professionals | Dr. Sibi Joseph | 2012-13 |
| 81 | | Final | Khandelwal Khushboo | Prevalence of Upper Trapezius Tightness in Computer Workers | Dr. Malani Rinkle | 2012-13 |
| 82 | | Final | Thole Sonam M. | Prevalence of Musculoskeletal Problems in Musicians | Dr. Sibi Joseph | 2012-13 |
| 83 | | Final | Cherian Vinita | Prevalence of Musculoskeletal Problems in Factory Workers | Dr. Sibi Joseph | 2012-13 |
| 84 | | Final | Pathare Vanita Asaram | Prevalence of TMJ Dysfunction among Forward Posture Population | Dr. Patil Shubhangi | 2012-13 |

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of student's | Title | Name of Guide | Year |
|----------------|--|--------------|--------------------------|-------------------------------------------------------------------------------------------------------------|----------------------|-------------|
| 85 | | Final | Ostwal Priyanka P. | Breathing Patterns in Individuals With low back Pain | Dr. Wani Surendra | 2012-13 |
| 86 | | Final | Motwani Shalaka | Risk of Fall in Patients With Diabetic Peripheral Neuropathy due to Sensory Impairment in lower limb | Dr. Palekar Pramod | 2012-13 |
| 87 | | Internship | Sange Rajesh & Khan Avez | Incidence, risk factors & consequence of fear of fall and its effects on quality of life among older people | Dr. Chandan Kumar | 2012-13 |

| | | | | | | |
|----|--|------------|-----------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|-----------|
| 88 | | Internship | Saba, Bindiya, Gaurav | Normative Measurement of Hand grip strength & its correlation with hand Dimeninos in Healthy Indian females. | Dr. Sibi Joseph | 2012-13 |
| 89 | | Internship | Patole Neha A. Shukla Apurva & Machave Ashish | Knowledge Percetion & Attitude of clinical & Nonclinical workers in hospitals about causes, signs & symptoms, risk factors & response | Dr. Chandan Kumar | 2012-13 |
| 90 | | Internship | Blessy Ann Thomas | Prevalance of Uterus Prolapse in Aurangabad Ciy of Maharashtra State | Dr. mohammd Rafi | 2012-2013 |

| | | | | | | |
|----|--|-------|-----------------|--------------------------------------------------------------------------------------------|--------------------|---------|
| 91 | | Final | Palshikar Rucha | Prevalence and Risk Factors for Neurological Disorders in Children Aged 6 months to 5Years | Dr. Palekar Pramod | 2012-13 |
|----|--|-------|-----------------|--------------------------------------------------------------------------------------------|--------------------|---------|

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of student's | Title | Name of Guide | Year |
|----------------|--|--------------|--------------------------|-----------------------------------------------------------------|----------------------|-------------|
| 92 | | Final | Bhanushali Ashok | Prevalence of Musculoskeletal Problems in Medical Professionals | Dr. Sibi Joseph | 2012-13 |

| | | | | | | |
|----|--|------------|---------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| 93 | | Internship | Pathare Vanita Asaram | Effect of Relaxation in Obese Women | Dr.Mehta Amita (PT) Head of Department Pt Centre & School Seth G.S. Medical College& K.E.M Hospital ,Parel Mumbai | 2013-14 |
| 94 | | Internship | Chandratre Ashwini: Ostwal Priyanka & Meer Ramsha | Comparative Study Between My ofascial release and Positional Release Technoqie on Patients with Neck Pain and tender Points in Trapezius Muscle | Dr. Gaikwad Pallavi | 2013-2014 |

| | | | | | | |
|----|--|------------|----------------------------------------------------|----------------------------------------------------------------|--------------------------|-----------|
| 95 | | Internship | Cherian Vinita ; Thole Sonam ; Khiste Soniya | Effect of Bhramari Pranayama in Hypertensive Patients | Dr. Bhanushali Poonam | 2013-2014 |
| 96 | | Final | Bhanushali Pooja | Prevalence of Low Back Pain during Pregnancy | Dr. Shukla Manish | 2013-14 |

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of student's | Title | Name of Guide | Year |
|---------|--|-------|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------|---------------------|---------|
| 98 | | Final | Kakade Priti | Reliability of Self Administered Versuand intrview based questionnaive in Nack disability in Neck disability index | Dr. Sibi Joseph | 2013-14 |
| 99 | | Final | Kotambe Aarti | Prevalence of Low Back Pain in Patients with diastasis recti | Dr. Kale Ashwini | 2013-14 |

| | | | | | | |
|-----|--|------------|------------------------------------------------------------|--------------------------------------------------------------------------------------------------|---------------------|---------|
| 100 | | Final | Ladhe Shweta | Prevalence of Stress Urinary incontinence among Postpartum women | Dr. Patil Shubhangi | 2013-14 |
| 101 | | Final | Manpure Shivani | Fatigue Severity in Shift work Nurses working in MGM Hospital Aurangabad | Dr. Mohd. Rafi | 2013-14 |
| 102 | | Internship | Palshikar Rucha ; Motwani Shalaka & Thomas Blessy | Effectiveness of Traction Straight Leg Raise Technique in Patients with Mechanical Low Back Pain | Dr.Patil Shubhangi | 2013-14 |
| 103 | | Internship | Bhanushali Ashok ; Palaskar Shalmali & Swamy Sheetal | The Effectiveness of Tens & IFT on Frozen Shoulder Patents | Dr. Basha A.S.K. | 2013-14 |

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of student's | Title | Name of Guide | Year |
|----------------|--|--------------|---------------------------------------------|-----------------------------------------------------------------------------------------------------------------|----------------------|-------------|
| 104 | | Final | Tikki Shahrukh | Prevalence of Exercise Induced Asthma in School Children | Dr. Kapre Vaibhav M | 2014-15 |
| 105 | | Final | Khan Samah Shah Nawaz | Prevalence of Neck Pain in Tailor's | Dr. Patil Shubhangi | 2014-15 |
| 106 | | Final | khan Summaiya Shah Nawaz | Prevalence of Temporo-Mandibular Joint Dysfunction In Patients with Neck Pain | Dr. Gaikwad Pallavi | 2014-15 |
| 107 | | Internship | Kotambe Aarti Kakade Priti, Ladhe Shweta | Effects of Footwear on balance and gait in elderly women of Indian Population between the ages 45 and 65 Years. | Dr.Rabik Khan | 2014-15 |

| | | | | | | |
|-----|--|------------|--------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------|----------------------|---------|
| 108 | | Internship | Manpure Shivani & Khandelwal Khshboo | Reliability of Flexible Rule for Cervical Spin in Patients with Chronic Neck Pain & Normal Healthy individuals | Dr. sibi Joseph | 2014-15 |
| 109 | | Internship | Bhanushali P & Harkal Pallavi | Evaluation of hand dexterity functions in patients with diabetes | DR. Wani surendra | 2014-15 |
| 110 | | Internship | Quazi Rubiya | Functional Capacity in exercising & Non Exercising Postmenopa usal Women | Dr. Rabik Khan | 2014-15 |
| 111 | | Final | Kekatpure Veda | Prevalence of Hypertension In Postmenopausal Women | Dr. Malani Rinkle | 2014-15 |

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of student's | Title | Name of Guide | Year |
|----------------|--|--------------|--------------------------|--------------------------------------------------------------------------------------------------|----------------------|-------------|
| 112 | | Final | Mahajan Manjiri V. | Prevalence of Physical Inactivity & Associated Factors among School Children | Dr. Kapre Vaibhav M | 2014-15 |
| 113 | | Final | Mahendrakar Nikhila | Quality of life after Cardiac Surgery | Dr. Dobhal Santsoh | 2014-15 |
| 114 | | Final | Potdar Ankita | Gender Difference In Prevalence of Upper Extremity Musculoskeletal Disorders In Computer Workers | Dr. Gaikwad Pallavi | 2014-15 |

| | | | | | | |
|-----|--|-------|--------------------|-------------------------------------------------------------------------------------------------|---------------------|---------|
| 115 | | Final | Jaiswal Payal | Prevalence Tennis elbow along with level of Pain & Functional Disability in industrial workers. | Dr. Kapre Vaibhav M | 2014-15 |
| 116 | | Final | Katage Goutami | Prevalency of Piriformis Tightness in chronic low Back Pain cases Associated with Desk Worker's | Dr. Mungikar Sanket | 2014-15 |
| 117 | | Final | Dehatral Aishwarya | Prevalence of Musculoskeletal Pain in Gold miths | Dr. Kale Ashwini | 2014-15 |
| 118 | | Final | Shaikh Sana | Prvalence of Neck & Shoulder Pain in Primary & Secondary School Teachers | Dr. shukla Manish | 2014-15 |

| | | | | | | |
|-----|--|-------|--------------------|----------------------------------------------------------|-----------------|---------|
| 119 | | Final | Dhouthary Sangeeta | Prevalence of Musculoskeletal Pain among school Children | Dr. Sibi Joseph | 2014-15 |
|-----|--|-------|--------------------|----------------------------------------------------------|-----------------|---------|

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of student's | Title | Name of Guide | Year |
|----------------|--|--------------|--------------------------|------------------------------------------------------------------------------------|----------------------|-------------|
| 120 | | Final | Jadhav Pranjal | Prevalence of Non Traumatic foat Pain in Woman due to High Heel Footwear | Dr. Rabik Khan | 2014-15 |
| 121 | | Final | Jaiswal Vaishnavi B | Prealence of Computer Related Musculoskeletal Pain Among Computer Science Students | Dr. shukla Manish | 2014-15 |

| | | | | | | |
|-----|--|------------|-------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|-----------|
| 122 | | Internship | Tikki Shahrukh, Khan Samah; Khan Summaiya | To Find out the difference between scapular strengthening exercises and myofascial release therapy in patients wih medial scapular pain | Dr.Sarath Babu | 2014-15 |
| 123 | | Final | Mahore Shradha Satwa | Prevalence of Shoulder Pain in School Teachers | Dr. Kale Ashwini | 2015-2016 |
| 124 | | Final | Kale Trupti Vijay | Prevalence of Low Back Pain & Hamstring Tightness among IT Employecs | Dr. Kapre Vaibhav M | 2015-2016 |
| 125 | | Final | Patel Disha | Evaluation of Lumbar Lordosis in Patients with Low Back Pain | DR. Wani surendra | 2015-2016 |

| | | | | | | |
|-----|--|-------|-------------------|-------------------------------------------------------------------|---------------------|-----------|
| 126 | | Final | Khan Saman | Prevalence of Upper Extremity Musculoskeletal Pain in Beauticians | Dr. Gaikwad Pallavi | 2015-2016 |
| 127 | | Final | Jethliya Gitnjali | Employment during Pregnancy in relation to risk factors | Dr. Malani Rinkle | 2015-16 |

Institute of Physiotherapy

List of Thesis

| Sr. No. | | Class | Name of student's | Title | Name of Guide | Year |
|---------|--|-------|-------------------|----------------------------------------------------|---------------------|-----------|
| 128 | | Final | Kale Gauri | Prevalence of Shoulder Pain in Mopping Workers | Dr. Mungikar Sanket | 2015-2016 |
| 129 | | Final | Wani Sarika | Prevalence of Low Back Pain among Postpartum Women | Dr. Dobhal Santsoh | 2015-16 |

| | | | | | | |
|-----|--|------------|--------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|--------------------|-----------|
| 130 | | Internship | Potdar Ankita | To Find out Participation Measure in Chronic Respiratory Patients | Dr. Jiandani Maria | 2015-2016 |
| 131 | | Internship | Jaiswal Payal; Kekatpure Veda & Mahendrakar Nikhila | A Comparative Study Between CIMT & Bimanual Task Training for improvement of Motor hand function in Stroke Patients | Dr. Kale Ashwini | 2015-2016 |

| | | | | | | |
|-----|--|------------|--------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|-----------|
| 132 | | Internship | Shikh Sana; Dehadrai Aishwarya & Mahajan Manjiri | Increased Treatment Duration Lead to Greater improvement in non -Weight Bearing Dersiflexion Range of Motion for Asymptomatic individuals immediately following an anteroposterior grade IV Mobilization of the Talus | Dr. Sibi Joseph | 2015-2016 |
| 133 | | Internship | Jadhav Pranjal S. & Jaiswal Vaishnavi | Comparison of Core Muscle endurance among Overhead normal athletes and athletes with scapular dyskinesia | Dr. V. Sarath Babu | 2015-2016 |

| | | | | | | |
|-----|--|------------|----------------------------------------|----------------------------------------------------------------------------------|--------------------|-----------|
| 134 | | Internship | Katage Goutami & Choudhary Sangeeta U. | A Comparative Study on the effects of Deep Breathing Exercise & in CaBG Patients | Dr. Kaprae Vaibhav | 2015-2016 |
| 135 | | Internship | Kale Trupti Vijay & Mahore Shradha | Comparison of Effect of Aerobic exercises & resistance exercises in obese adults | Dr. Rabik Khan | 2015-16 |
